Answers with Explanations:

1. a) Hartsfield–Jackson Atlanta International Airport (ATL)

Atlanta is on the top spot in 2022 with over 71 million passengers.

2. c) Asia

Asia boasts the most major airports, with China alone having more than 20M. Europe follows close behind.

3. a) Saudi Arabia (King Fahd International Airport)

King Fahd International Airport covers a staggering 78,000 hectares, making it the world's largest by area.

4. d) Singapore Changi Airport (SIN)

The iconic runway at Changi Airport cuts through the Tampines Course, a public golf club, adding a unique touch to the landscape.

5. a) Miami International Airport (MIA)

Miami's terminals, designed by Morris Lapidus in the 1950s, feature palm-lined arrival areas that evoke a tropical paradise feel.

6. a) San Francisco International Airport (SFO)

SFO's location near the Pacific Ocean makes it prone to fog rolling in from the Golden Gate Bridge, often causing delays.

7. c) Bolivia (Juan Pablo Pérez de Cuéllar International Airport)

Located at 4,061 meters above sea level in La Paz, this airport holds the title of the highest-altitude commercial airport.

8. b) Denver International Airport (DEN)

Denver's terminal, Jeppesen Terminal, features a striking roof structure resembling a snow-capped mountain, earning it the nickname "The Bird."

9. c) Singapore Changi Airport (SIN)

Changi Airport is renowned for its lush rooftop gardens, including the Terminal 3 Butterfly Garden and the Hive, which houses beehives for honey production.

10. a) Orlando International Airport (MCO)

Orlando International Airport houses the Walt Disney World Resort's Magical Express, offering direct transportation to Disney theme parks.

11. d) Amsterdam Airport Schiphol (AMS)

Schiphol's baggage handling system utilizes advanced robotics, transporting luggage quickly and efficiently from arrival to departure.

12. a) Beijing Daxing International Airport (PKX)

Daxing Airport's Terminal 1 boasts a colossal terminal building stretching over 4 kilometers, making it the longest in the world.

13. a) Singapore Changi Airport (SIN)

Changi's Jewel Terminal features a breathtaking indoor rainforest, complete with waterfalls and walking trails, offering a unique escape within the airport.

14. d)

15. d) Singapore Changi Airport (SIN)

Changi has been voted the "World's Best Airport" by Skytrax an impressive seven times, solidifying its reputation as a leader in airport design and passenger experience.
